Frequently Asked Questions

What can be financed?

- Consultations with your practitioner
- Laboratory charges related to hormone balancing
- Pellet insertion procedures
- BioTE® Nutraceuticals

What are the steps in financing my BioTE® procedures?

STEP 1: Complete the application

STEP 2: Select the amount and duration to be financed (Charge Ticket)

STEP 3: Complete and sign the Charge Ticket online

How much can I finance?

You may finance up to $2,000.

What is the lowest amount that I can finance?

The minimum financed amount is $800.

How long will I be paying on the amount financed?

The loan will be paid off in equal payments over 6 or 12 months (your choice).

What is the interest rate?

The annual interest rate is 18%

Is there an application fee?

There is a one-time $25 application fee for the initial financed amount.

Are there any other fees?

There are no other fees in the normal course of the loan. However, you could be charged up to $30 for bank draft returns (insufficient funds) or a $25 fee if you elect to cancel.

How will loan payments be made?

Loan payments are made by automatic bank draft. The first payment will be 30 days from the initial loan date.

BioTE® procedure costs?

No. Patient Financing is intended to provide you with an easy payment plan for multiple BioTE® procedures with the payments spread over 6 or 12 months instead of paying the full amount at the time of service.

Can I pay extra against my loan or pay the loan off early?

You may apply extra payments or pay off the loan in full at any time without any penalty.

Is there a pre-payment penalty?

There is no penalty for paying the loan off early.

Can I cancel my loan?

You can cancel your outstanding loan at any time by following these steps:

- Pay any balance for services already performed plus accrued interest.
- Pay a $25 cancellation fee.
- If loan payments exceed the amount of services and interest charges, you will receive a refund check for the difference.

What if I am due for another procedure but I do not have enough funds remaining on the loan to cover the new amount?

Simply sign a new loan ticket to establish another loan amount (minimum of $800). Of course, you may pay the difference not covered by the remaining amount on the existing loan by other means (check, cash or credit card).

What if I discontinue my BioTE® procedures but still have a balance that could be used?

If there is any paid up balance that remains unused, you will be reimbursed the full amount available.
